

## **Introduction**

This page explains what personal information we gather when you visit the specific website within the University of Cambridge domains called:

<https://webservices.admin.cam.ac.uk/ncbk/gapo/index.cgi> (The CamPo Collaborative Research Grant Scheme online application portal)

This website is accessed via: <https://www.ahssresearch.group.cam.ac.uk/campo>

## **Who will process my personal information?**

The information published here applies to the use of your personal information (also known as 'personal data') by the University of Cambridge through the viewing or use of these sites.

## **General personal information collected on our websites**

When you visit any of the websites within the University of Cambridge domain we hold certain information about you for service and security reasons. For more information on this, please see <http://www.cam.ac.uk/about-this-site/privacy-policy> .

## **Specific personal information collected on this website**

### **The CamPo Collaborative Research Grant Scheme online application portal**

This site asks you to provide information about yourself in an online application form.

We gather this information so that we can process your CamPo Collaborative Research Grant Scheme application.

We use this personal data to fulfil our "contractual" relationship with you.

Your application will only be reviewed by those who have a legitimate reason. This includes members of the CamPo Scientific and Management Committee who are external to the University.

We will hold your data for:

- Application closing date plus 3 years if your application is unsuccessful.
- End of project plus 6 years if your application is successful.

## **Further information**

For more information about how we handle your personal information, and your rights under data protection legislation, please see <https://www.information-compliance.admin.cam.ac.uk/data-protection/general-data> .
